

ECLPX
SECURITY

Eyes in the Sky. Protection on Demand.

ECLPX Security delivers autonomous aerial surveillance for commercial properties, industrial sites, and private facilities. Deploy drones remotely for real-time monitoring, automated patrols, and instant response to security alerts—without on-site personnel. Secure, BVLOS-compliant, and always on standby.

PACKAGES AVAILABLE

- Scheduled perimeter sweeps - up to 3 per day
- Real-time intrusion detection alerts
- Live video access during patrols
- Automated security reports with event timestamps
- Thermal & night vision capable

\$199/
MONTH

Ideal for passive monitoring & basic security reinforcement

- On-demand drone launch for triggered alarms
- Expanded patrols - up to 6 per day
- AI-based anomaly detection for unusual activity
- Multi-zone security coverage
- Auto-generated risk assessment reports

\$399/
MONTH

For properties requiring active threat detection & response

- Unlimited drone dispatch for alarms & security events
- Continuous live-feed monitoring
- AI-driven perimeter analysis
- Multi-user access with tiered security clearances
- Integration-ready for existing security systems

\$599/
MONTH

For high-value properties requiring comprehensive 24/7 security

FEATURES & BENEFITS

- **Perimeter Surveillance**
- **Automated Alarm Response**
- **Thermal & Night Vision**
- **Secure, Encrypted Data**
- **Remote Monitoring**
- **Custom Patrol Routes**

HOW IT WORKS

1. **Define Your Coverage Zone** - Set patrol areas, key access points, and alarm triggers.
2. **Schedule or Automate Patrols** - Recurring security sweeps or event-based launches.
3. **Detect & Respond in Real-Time** - AI-driven alerts & immediate aerial response to threats.
4. **Access Live Feeds & Reports** - Review incidents, generate insights, and enhance security measures.

Enhance your security with aerial autonomy.
