

**ECLPX**  
CINEMATIC

Aerial Coverage. On Demand for Film & Television.

ECLPX Cinematic unlocks the power of autonomous aerial cinematography. Whether capturing sweeping landscapes for documentaries, establishing shots for film and TV, or dynamic aerals for live events, ECLPX enables remote, high-quality, repeatable drone shots—without pilots on-site. Elevate your production with cinematic precision, smooth motion, and on-demand aerial perspectives, anywhere professional storytelling demands it.
